CALLS FOR CRACKDOWN ON DIVERSION

India has ample supply of petrol, diesel: Centre

PRESS TRUST OF INDIA
New Delhi, May 27

THE GOVERNMENT ON Wednesday said the country has "more than adequate" supplies of petrol and diesel to meet all domestic demand, asserting that no supply shortage exists even as it warned against diversion of subsidised retail fuel into industrial use.

India, the world's fourth-largest refining hub with 258.1 million tonne of annual capacity across 22 refineries, produced sufficient fuel to meet domestic consumption of 243.2 million tonne in FY26, while exporting 61.5 million tonne of petroleum products, the oil ministry said in a statement.

"Union Petroleum and Natural Gas Minister Hardeep Singh Puri has been in continuous coordination with public sector oil marketing companies (OMCs), state governments and industry bodies to ensure uninterrupted supply," it said.

A review of the situation with chief secretaries of states and Union Territories, as well as industry bodies FICCI and CII, found "no scarcity of petro-

Defence Minister Rajnath Singh (second from right) chairs a meeting of the informal group of ministers set up to monitor the situation in West Asia, in New Delhi on Wednesday

leum products" on the ground, the ministry said, adding that any apparent tightness in pockets stems from "arbitrage", not supply constraints.

The government said state-run OMCs are absorbing losses of about ₹550 crore per day on petrol, diesel and domestic LPG to shield retail consumers from full international price pass-through amid volatility linked to West Asia tensions.

This subsidy buffer, it said, is intended for households, commuters and farmers using retail pumps. However, it warned that

industrial buyers diverting purchases from bulk channels to retail outlets are capturing this pricing cushion, distorting local availability and creating artificial pressure at fuel stations.

'Avoid panic buying'

Defence Minister Rajnath Singh on Wednesday urged the public to avoid panic buying petrol, diesel, and LPG, assuring them that the government is taking all necessary steps to maintain fuel supplies.

Singh, while chairing a high-level meeting of the

informal group of ministers (IGoM) set up to monitor the situation in West Asia, stressed that fertilisers and other essential agricultural inputs should remain adequately available to farmers to ensure that food prices in the country continue to remain stable, according to an official statement. The meeting was attended by Puri, Chemicals and Fertilisers Minister JP Nadda, Railways and Information and Broadcasting Minister Ashwini Vaishnav, Power Minister Manohar Lal, among others.

Assam third state to pass UCC Bill

PRESS TRUST OF INDIA
Guwahati, May 27

THE ASSAM ASSEMBLY ON Wednesday passed the Uniform Civil Code (UCC) Bill, which seeks to establish a common legal framework to govern marriage, divorce, succession and live-in relationships irrespective of religion, even as the Opposition demanded it be sent to a select committee.

The opposition MLAs termed the Bill the "BJP's political agenda" and sought wider consultation among all stake-

holders. The lone Trinamool Congress MLA staged a walkout earlier, protesting certain provisions of the Bill and alleging that the proposed law has been introduced by the NDA with "malicious intent". MLAs representing the ruling NDA in the Assam Assembly said the UCC Bill seeks to protect women's rights and is not against any religion or religious practice.

With the passage of the proposed legislation, Assam became the third state, after Uttarakhand and Gujarat, to pass a Uniform Civil Code Bill.

Goa also has one common civil law, which continued from its erstwhile Portuguese colonial period.

After a day-long discussion on the The Uniform Civil Code, Assam, 2026 Bill, Speaker Ranjeet Kumar Dass rejected the Opposition's demand that the Bill be sent to a select committee for wider consultation, prompting them to move to the Well of the House and keep on raising slogans till the draft was passed. As the Opposition did not move the amendments it had raised earlier during the day, the

Speaker put the Bill for a voice vote, amid continuous sloganeering by the ruling bench.

The Bill, however, said that it will not be applicable to the Scheduled Tribes of Assam. It proposed several punitive measures, including seven-year imprisonment for bigamy or polygamy, and three months in jail for not registering a live-in relationship. "There can't be a better start of our five-year tenure than passing the UCC in the first Assembly session..." Chief Minister Himanta Biswa Sarma said.

CALLS FOR CRACKDOWN ON DIVERSION

India has ample supply of petrol, diesel: Centre

PRESS TRUST OF INDIA
New Delhi, May 27

THE GOVERNMENT ON Wednesday said the country has "more than adequate" supplies of petrol and diesel to meet all domestic demand, asserting that no supply shortage exists even as it warned against diversion of subsidised retail fuel into industrial use.

India, the world's fourth-largest refining hub with 258.1 million tonne of annual capacity across 22 refineries, produced sufficient fuel to meet domestic consumption of 243.2 million tonne in FY26, while exporting 61.5 million tonne of petroleum products, the oil ministry said in a statement. "Union Petroleum and Natural Gas Minister Hardeep Singh Puri has been in continuous coordination with public sector oil marketing companies (OMCs), state governments and industry bodies to ensure uninterrupted supply," it said.

A review of the situation with chief secretaries of states and Union Territories, as well as industry bodies FICCI and CII, found "no scarcity of petroleum products" on the ground, the ministry said, adding that any apparent tightness in pockets stems from "arbitrage", not supply constraints.

The government said state-run OMCs are absorbing losses of about ₹550 crore per day on petrol, diesel and domestic LPG to shield retail consumers from full international price pass-through amid volatility linked to West Asia tensions.

This subsidy buffer, it said, is intended for households, commuters and farmers using retail pumps. However, it warned that

Defence Minister Rajnath Singh (second from right) chairs a meeting of the informal group of ministers set up to monitor the situation in West Asia, in New Delhi on Wednesday

industrial buyers diverting purchases from bulk channels to retail outlets are capturing this pricing cushion, distorting local availability and creating artificial pressure at fuel stations.

'Avoid panic buying'
Defence Minister Rajnath Singh on Wednesday urged the public to avoid panic buying petrol, diesel, and LPG, assuring them that the government is taking all necessary steps to maintain fuel supplies.

Singh, while chairing a high-level meeting of the

informal group of ministers (IGoM) set up to monitor the situation in West Asia, stressed that fertilisers and other essential agricultural inputs should remain adequately available to farmers to ensure that food prices in the country continue to remain stable, according to an official statement. The meeting was attended by Puri, Chemicals and Fertilisers Minister JP Nadda, Railways and Information and Broadcasting Minister Ashwini Vaishnav, Power Minister Manohar Lal, among others.

Assam third state to pass UCC Bill

PRESS TRUST OF INDIA
Guwahati, May 27

THE ASSAM ASSEMBLY ON Wednesday passed the Uniform Civil Code (UCC) Bill, which seeks to establish a common legal framework to govern marriage, divorce, succession and live-in relationships irrespective of religion, even as the Opposition demanded it be sent to a select committee.

The opposition MLAs termed the Bill the "BJP's political agenda" and sought wider consultation among all stake-

holders. The lone Trinamool Congress MLA staged a walkout earlier, protesting certain provisions of the Bill and alleging that the proposed law has been introduced by the NDA with "malicious intent". MLAs representing the ruling NDA in the Assam Assembly said the UCC Bill seeks to protect women's rights and is not against any religion or religious practice.

With the passage of the proposed legislation, Assam became the third state, after Uttarakhand and Gujarat, to pass a Uniform Civil Code Bill.

Goa also has one common civil law, which continued from its erstwhile Portuguese colonial period.

After a day-long discussion on the The Uniform Civil Code, Assam, 2026 Bill, Speaker Ranjeet Kumar Dass rejected the Opposition's demand that the Bill be sent to a select committee for wider consultation, prompting them to move to the Well of the House and keep on raising slogans till the draft was passed. As the Opposition did not move the amendments it had raised earlier during the day, the

Speaker put the Bill for a voice vote, amid continuous sloganeering by the ruling bench.

The Bill, however, said that it will not be applicable to the Scheduled Tribes of Assam. It proposed several punitive measures, including seven-year imprisonment for bigamy or polygamy, and three months in jail for not registering a live-in relationship. "There can't be a better start of our five-year tenure than passing the UCC in the first Assembly session..." Chief Minister Himanta Biswa Sarma said.

Assam third state to pass UCC BillPRESS TRUST OF INDIA
Guwahati, May 27

THE ASSAM ASSEMBLY ON Wednesday passed the Uniform Civil Code (UCC) Bill, which seeks to establish a common legal framework to govern marriage, divorce, succession and live-in relationships irrespective of religion, even as the Opposition demanded it be sent to a select committee.

The opposition MLAs termed the Bill the "BJP's political agenda" and sought wider consultation among all stake-

holders. The lone Trinamool Congress MLA staged a walkout earlier, protesting certain provisions of the Bill and alleging that the proposed law has been introduced by the NDA with "malicious intent". MLAs representing the ruling NDA in the Assam Assembly said the UCC Bill seeks to protect women's rights and is not against any religion or religious practice.

With the passage of the proposed legislation, Assam became the third state, after Uttarakhand and Gujarat, to pass a Uniform Civil Code Bill.

Goa also has one common civil law, which continued from its erstwhile Portuguese colonial period.

After a day-long discussion on the The Uniform Civil Code, Assam, 2026 Bill, Speaker Ranjeet Kumar Dass rejected the Opposition's demand that the Bill be sent to a select committee for wider consultation, prompting them to move to the Well of the House and keep on raising slogans till the draft was passed. As the Opposition did not move the amendments it had raised earlier during the day, the

Speaker put the Bill for a voice vote, amid continuous sloganeering by the ruling bench.

The Bill, however, said that it will not be applicable to the Scheduled Tribes of Assam. It proposed several punitive measures, including seven-year imprisonment for bigamy or polygamy, and three months in jail for not registering a live-in relationship. "There can't be a better start of our five-year tenure than passing the UCC in the first Assembly session..." Chief Minister Himanta Biswa Sarma said.

CALLS FOR CRACKDOWN ON DIVERSION

India has ample supply of petrol, diesel: Centre

PRESS TRUST OF INDIA
New Delhi, May 27

THE GOVERNMENT ON Wednesday said the country has "more than adequate" supplies of petrol and diesel to meet all domestic demand, asserting that no supply shortage exists even as it warned against diversion of subsidised retail fuel into industrial use.

India, the world's fourth-largest refining hub with 258.1 million tonne of annual capacity across 22 refineries, produced sufficient fuel to meet domestic consumption of 243.2 million tonne in FY26, while exporting 61.5 million tonne of petroleum products, the oil ministry said in a statement.

"Union Petroleum and Natural Gas Minister Hardeep Singh Puri has been in continuous coordination with public sector oil marketing companies (OMCs), state governments and industry bodies to ensure uninterrupted supply," it said.

A review of the situation with chief secretaries of states and in industry territories, as well as in industry bodies FICCI and CII, found "no scarcity of petro-

Defence Minister Rajnath Singh (second from right) chairs a meeting of the informal group of ministers set up to monitor the situation in West Asia, in New Delhi on Wednesday

leum products" on the ground, the ministry said, adding that any apparent tightness in pockets stems from "arbitrage", not supply constraints.

The government said state-run OMCs are absorbing losses of about ₹550 crore per day on petrol, diesel and domestic LPG to shield retail consumers from full international price pass-through amid volatility linked to West Asia tensions.

This subsidy buffer, it said, is intended for households, commuters and farmers using retail pumps. However, it warned that

industrial buyers diverting purchases from bulk channels to retail outlets are capturing this pricing cushion, distorting local availability and creating artificial pressure at fuel stations.

'Avoid panic buying'

Defence Minister Rajnath Singh on Wednesday urged the public to avoid panic buying petrol, diesel, and LPG, assuring them that the government is taking all necessary steps to maintain fuel supplies.

Singh, while chairing a high-level meeting of the

informal group of ministers (IGoM) set up to monitor the situation in West Asia, stressed that agricultural and other essential fertilisers and inputs should remain adequately available to farmers to ensure that food prices in the country continue to remain stable, according to an official statement. The meeting was attended by Puri, Chemicals and Fertilisers Minister JP Nadda, Railways and Information and Broadcasting Minister Ashwini Vaishnav, Power Minister Manohar Lal, among others.

CALLS FOR CRACKDOWN ON DIVERSION

India has ample supply of petrol, diesel: Centre

PRESS TRUST OF INDIA
New Delhi, May 27

THE GOVERNMENT ON Wednesday said the country has "more than adequate" supplies of petrol and diesel to meet all domestic demand, asserting that no supply shortage exists even as it warned against diversion of subsidised retail fuel into industrial use.

India, the world's fourth-largest refining hub with 258.1 million tonne of annual capacity across 22 refineries, produced sufficient fuel to meet domestic consumption of 243.2 million tonne in FY26, while exporting 61.5 million tonne of petroleum products, the oil ministry said in a statement.

"Union Petroleum and Natural Gas Minister Hardeep Singh Puri has been in continuous coordination with public sector oil marketing companies (OMCs), state governments and industry bodies to ensure uninterrupted supply," it said.

A review of the situation with chief secretaries of states and Union Territories, as well as industry bodies FICCI and CII, found "no scarcity of petro-

Defence Minister Rajnath Singh (second from right) chairs a meeting of the informal group of ministers set up to monitor the situation in West Asia, in New Delhi on Wednesday

leum products" on the ground, the ministry said, adding that any apparent tightness in pockets stems from "arbitrage", not supply constraints.

The government said state-run OMCs are absorbing losses of about ₹550 crore per day on petrol, diesel and domestic LPG to shield retail consumers from full international price pass-through amid volatility linked to West Asia tensions.

This subsidy buffer, it said, is intended for households, commuters and farmers using retail pumps. However, it warned that

industrial buyers diverting purchases from bulk channels to retail outlets are capturing this pricing cushion, distorting local availability and creating artificial pressure at fuel stations.

'Avoid panic buying'

Defence Minister Rajnath Singh on Wednesday urged the public to avoid panic buying petrol, diesel, and LPG, assuring them that the government is taking all necessary steps to maintain fuel supplies.

Singh, while chairing a high-level meeting of the

informal group of ministers (IGoM) set up to monitor the situation in West Asia, stressed that fertilisers and other essential agricultural inputs should remain adequately available to farmers to ensure that food prices in the country continue to remain stable, according to an official statement. The meeting was attended by Puri, Chemicals and Fertilisers Minister JP Nadda, Railways and Information and Broadcasting Minister Ashwini Vaishnav, Power Minister Manohar Lal, among others.

Assam third state to pass UCC Bill

PRESS TRUST OF INDIA
Guwahati, May 27

THE ASSAM ASSEMBLY ON Wednesday passed the Uniform Civil Code (UCC) Bill, which seeks to establish a common legal framework to govern marriage, divorce, succession and live-in relationships irrespective of religion, even as the Opposition demanded it be sent to a select committee.

The opposition MLAs termed the Bill the "BJP's political agenda" and sought wider consultation among all stake-

holders. The lone Trinamool Congress MLA staged a walkout earlier, protesting certain provisions of the Bill and alleging that the proposed law has been introduced by the NDA with "malicious intent". MLAs representing the ruling NDA in the Assam Assembly said the UCC Bill seeks to protect women's rights and is not against any religion or religious practice.

With the passage of the proposed legislation, Assam became the third state, after Uttarakhand and Gujarat, to pass a Uniform Civil Code Bill.

Goa also has one common civil law, which continued from its erstwhile Portuguese colonial period.

After a day-long discussion on the The Uniform Civil Code, Assam, 2026 Bill, Speaker Ranjeet Kumar Dass rejected the Opposition's demand that the Bill be sent to a select committee for wider consultation, prompting them to move to the Well of the House and keep on raising slogans till the draft was passed. As the Opposition did not move the amendments it had raised earlier during the day, the

Speaker put the Bill for a voice vote, amid continuous sloganeering by the ruling bench.

The Bill, however, said that it will not be applicable to the Scheduled Tribes of Assam. It proposed several punitive measures, including seven-year imprisonment for bigamy or polygamy, and three months in jail for not registering a live-in relationship. "There can't be a better start of our five-year tenure than passing the UCC in the first Assembly session..." Chief Minister Himanta Biswa Sarma said.

CALLS FOR CRACKDOWN ON DIVERSION**India has ample supply of petrol, diesel: Centre**PRESS TRUST OF INDIA
New Delhi, May 27

THE GOVERNMENT ON Wednesday said the country has "more than adequate" supplies of petrol and diesel to meet all domestic demand, asserting that no supply shortage exists even as it warned against diversion of subsidised retail fuel into industrial use.

India, the world's fourth-largest refining hub with 258.1 million tonne of annual capacity across 22 refineries, produced sufficient fuel to meet domestic consumption of 243.2 million tonne in FY26, while exporting 61.5 million tonne of petroleum products, the oil ministry said in a statement.

"Union Petroleum and Natural Gas Minister Hardeep Singh Puri has been in continuous coordination with public sector oil marketing companies (OMCs), state governments and industry bodies to ensure uninterrupted supply," it said.

A review of the situation with chief secretaries of states and Union Territories, as well as industry bodies FICCI and CII, found "no scarcity of petro-

leum products" on the ground, the ministry said, adding that any apparent tightness in pockets stems from "arbitrage", not supply constraints.

The government said state-run OMCs are absorbing losses of about ₹550 crore per day on petrol, diesel and domestic LPG to shield retail consumers from full international price pass-through amid volatility linked to West Asia tensions.

This subsidy buffer, it said, is intended for households, commuters and farmers using retail pumps. However, it warned that

industrial buyers diverting purchases from bulk channels to retail outlets are capturing this pricing cushion, distorting local availability and creating artificial pressure at fuel stations.

'Avoid panic buying'

Defence Minister Rajnath Singh on Wednesday urged the public to avoid panic buying petrol, diesel, and LPG, assuring them that the government is taking all necessary steps to maintain fuel supplies.

Singh, while chairing a high-level meeting of the

informal group of ministers (IGoM) set up to monitor the situation in West Asia, stressed that fertilisers and other essential agricultural inputs should remain adequately available to farmers to ensure that food prices in the country continue to remain stable, according to an official statement. The meeting was attended by Puri, Chemicals and Fertilisers Minister JP Nadda, Railways and Information and Broadcasting Minister Ashwini Vaishnav, Power Minister Manohar Lal, among others.

Assam third state to pass UCC BillPRESS TRUST OF INDIA
Guwahati, May 27

THE ASSAM ASSEMBLY ON Wednesday passed the Uniform Civil Code (UCC) Bill, which seeks to establish a common legal framework to govern marriage, divorce, succession and live-in relationships irrespective of religion, even as the Opposition demanded it be sent to a select committee.

The opposition MLAs termed the Bill the "BJP's political agenda" and sought wider consultation among all stake-

holders. The lone Trinamool Congress MLA staged a walkout earlier, protesting certain provisions of the Bill and alleging that the proposed law has been introduced by the NDA with "malicious intent". MLAs representing the ruling NDA in the Assam Assembly said the UCC Bill seeks to protect women's rights and is not against any religion or religious practice.

With the passage of the proposed legislation, Assam became the third state, after Uttarakhand and Gujarat, to pass a Uniform Civil Code Bill.

Goa also has one common civil law, which continued from its erstwhile Portuguese colonial period.

After a day-long discussion on the The Uniform Civil Code, Assam, 2026 Bill, Speaker Ranjeet Kumar Dass rejected the Opposition's demand that the Bill be sent to a select committee for wider consultation, prompting them to move to the Well of the House and keep on raising slogans till the draft was passed. As the Opposition did not move the amendments it had raised earlier during the day, the

Speaker put the Bill for a voice vote, amid continuous sloganeering by the ruling bench.

The Bill, however, said that it will not be applicable to the Scheduled Tribes of Assam. It proposed several punitive measures, including seven-year imprisonment for bigamy or polygamy, and three months in jail for not registering a live-in relationship. "There can't be a better start of our five-year tenure than passing the UCC in the first Assembly session..." Chief Minister Himanta Biswa Sarma said.

CALLS FOR CRACKDOWN ON DIVERSION**India has ample supply of petrol, diesel: Centre**PRESS TRUST OF INDIA
New Delhi, May 27

THE GOVERNMENT ON Wednesday said the country has "more than adequate" supplies of petrol and diesel to meet all domestic demand, asserting that no supply shortage exists even as it warned against diversion of subsidised retail fuel into industrial use.

India, the world's fourth-largest refining hub with 258.1 million tonne of annual capacity across 22 refineries, produced sufficient fuel to meet domestic consumption of 243.2 million tonne in FY26, while exporting 61.5 million tonne of petroleum products, the oil ministry said in a statement.

"Union Petroleum and Natural Gas Minister Hardeep Singh Puri has been in continuous coordination with public sector oil marketing companies (OMCs), state governments and industry bodies to ensure uninterrupted supply," it said.

A review of the situation with chief secretaries of states and Union Territories, as well as industry bodies FICCI and CII, found "no scarcity of petro-

Defence Minister Rajnath Singh (second from right) chairs a meeting of the informal group of ministers set up to monitor the situation in West Asia, in New Delhi on Wednesday

leum products" on the ground, the ministry said, adding that any apparent tightness in pockets stems from "arbitrage", not supply constraints.

The government said state-run OMCs are absorbing losses of about ₹550 crore per day on petrol, diesel and domestic LPG to shield retail consumers from full international price pass-through amid volatility linked to West Asia tensions.

This subsidy buffer, it said, is intended for households, commuters and farmers using retail pumps. However, it warned that

industrial buyers diverting purchases from bulk channels to retail outlets are capturing this pricing cushion, distorting local availability and creating artificial pressure at fuel stations.

'Avoid panic buying'

Defence Minister Rajnath Singh on Wednesday urged the public to avoid panic buying petrol, diesel, and LPG, assuring them that the government is taking all necessary steps to maintain fuel supplies.

Singh, while chairing a high-level meeting of the

informal group of ministers (IGoM) set up to monitor the situation in West Asia, stressed that fertilisers and other essential agricultural inputs should remain adequately available to farmers to ensure that food prices in the country continue to remain stable, according to an official statement. The meeting was attended by Puri, Chemicals and Fertilisers Minister JP Nadda, Railways and Information and Broadcasting Minister Ashwini Vaishnav, Power Minister Manohar Lal, among others.

Assam third state to pass UCC BillPRESS TRUST OF INDIA
Guwahati, May 27

THE ASSAM ASSEMBLY ON Wednesday passed the Uniform Civil Code (UCC) Bill, which seeks to establish a common legal framework to govern marriage, divorce, succession and live-in relationships irrespective of religion, even as the Opposition demanded it be sent to a select committee.

The opposition MLAs termed the Bill the "BJP's political agenda" and sought wider consultation among all stake-

holders. The lone Trinamool Congress MLA staged a walkout earlier, protesting certain provisions of the Bill and alleging that the proposed law has been introduced by the NDA with "malicious intent". MLAs representing the ruling NDA in the Assam Assembly said the UCC Bill seeks to protect women's rights and is not against any religion or religious practice.

With the passage of the proposed legislation, Assam became the third state, after Uttarakhand and Gujarat, to pass a Uniform Civil Code Bill.

Goa also has one common civil law, which continued from its erstwhile Portuguese colonial period.

After a day-long discussion on the The Uniform Civil Code, Assam, 2026 Bill, Speaker Ranjeet Kumar Dass rejected the Opposition's demand that the Bill be sent to a select committee for wider consultation, prompting them to move to the Well of the House and keep on raising slogans till the draft was passed. As the Opposition did not move the amendments it had raised earlier during the day, the

Speaker put the Bill for a voice vote, amid continuous sloganeering by the ruling bench.

The Bill, however, said that it will not be applicable to the Scheduled Tribes of Assam. It proposed several punitive measures, including seven-year imprisonment for bigamy or polygamy, and three months in jail for not registering a live-in relationship. "There can't be a better start of our five-year tenure than passing the UCC in the first Assembly session..." Chief Minister Himanta Biswa Sarma said.

CALLS FOR CRACKDOWN ON DIVERSION

India has ample supply of petrol, diesel: Centre

PRESS TRUST OF INDIA
New Delhi, May 27

THE GOVERNMENT ON Wednesday said the country has "more than adequate" supplies of petrol and diesel to meet all domestic demand, asserting that no supply shortage exists even as it warned against diversion of subsidised retail fuel into industrial use.

India, the world's fourth-largest refining hub with 258.1 million tonne of annual capacity across 22 refineries, produced sufficient fuel to meet domestic consumption of 243.2 million tonne in FY26, while exporting 61.5 million tonne of petroleum products, the oil ministry said in a statement.

"Union Petroleum and Natural Gas Minister Hardeep Singh Puri has been in continuous coordination with public sector oil marketing companies (OMCs), state governments and industry bodies to ensure uninterrupted supply," it said.

A review of the situation with chief secretaries of states and Union Territories, as well as industry bodies FICCI and CII, found "no scarcity of petro-

Defence Minister Rajnath Singh (second from right) chairs a meeting of the informal group of ministers set up to monitor the situation in West Asia, in New Delhi on Wednesday

leum products" on the ground, the ministry said, adding that any apparent tightness in pockets stems from "arbitrage", not supply constraints.

The government said state-run OMCs are absorbing losses of about ₹550 crore per day on petrol, diesel and domestic LPG to shield retail consumers from full international price pass-through amid volatility linked to West Asia tensions.

This subsidy buffer, it said, is intended for households, commuters and farmers using retail pumps. However, it warned that

industrial buyers diverting purchases from bulk channels to retail outlets are capturing this pricing cushion, distorting local availability and creating artificial pressure at fuel stations.

'Avoid panic buying'

Defence Minister Rajnath Singh on Wednesday urged the public to avoid panic buying petrol, diesel, and LPG, assuring them that the government is taking all necessary steps to maintain fuel supplies.

Singh, while chairing a high-level meeting of the

informal group of ministers (IGoM) set up to monitor the situation in West Asia, stressed that fertilisers and other essential agricultural inputs should remain adequately available to farmers to ensure that food prices in the country continue to remain stable, according to an official statement. The meeting was attended by Puri, Chemicals and Fertilisers Minister JP Nadda, Railways and Information and Broadcasting Minister Ashwini Vaishnav, Power Minister Manohar Lal, among others.

Assam third state to pass UCC Bill

PRESS TRUST OF INDIA
Guwahati, May 27

THE ASSAM ASSEMBLY ON Wednesday passed the Uniform Civil Code (UCC) Bill, which seeks to establish a common legal framework to govern marriage, divorce, succession and live-in relationships irrespective of religion, even as the Opposition demanded it be sent to a select committee.

The opposition MLAs termed the Bill the "BJP's political agenda" and sought wider consultation among all stake-

holders. The lone Trinamool Congress MLA staged a walkout earlier, protesting certain provisions of the Bill and alleging that the proposed law has been introduced by the NDA with "malicious intent". MLAs representing the ruling NDA in the Assam Assembly said the UCC Bill seeks to protect women's rights and is not against any religion or religious practice.

With the passage of the proposed legislation, Assam became the third state, after Uttarakhand and Gujarat, to pass a Uniform Civil Code Bill.

Goa also has one common civil law, which continued from its erstwhile Portuguese colonial period.

After a day-long discussion on the The Uniform Civil Code, Assam, 2026 Bill, Speaker Ranjeet Kumar Dass rejected the Opposition's demand that the Bill be sent to a select committee for wider consultation, prompting them to move to the Well of the House and keep on raising slogans till the draft was passed. As the Opposition did not move the amendments it had raised earlier during the day, the

Speaker put the Bill for a voice vote, amid continuous sloganeering by the ruling bench.

The Bill, however, said that it will not be applicable to the Scheduled Tribes of Assam. It proposed several punitive measures, including seven-year imprisonment for bigamy or polygamy, and three months in jail for not registering a live-in relationship. "There can't be a better start of our five-year tenure than passing the UCC in the first Assembly session..." Chief Minister Himanta Biswa Sarma said.
